 Telus Digital – remote, Ireland

Website: <https://www.telusdigital.com/> | Email address: TI_AICommunitySupport@telusinternational.com | Name of unit or department: data analytics - Business or sector: Information and communication

Data analyst

[01/04/2018 – Current]

It is a part-time freelance remote work

In this project, I reviewed online advertisements to improve their content, quality, and layout. I was required to provide feedback and analysis on advertisements found in search engine results and rate their relevance to the search terms used. Another aspect of this opportunity will involve reviewing the language used in advertisements by examining grammar, tone, and cultural relevance.
